# [Presentation title]

[A clear sentence about the civic purpose]

[Presenter / team]

[Event · date]

Lugano's Plan

**Open.**

**Capable.**

**Curious.**

**Grounded.**

# [Section title]

[One sentence that sets the direction]

# [Lead with the point]

[Explain why this matters to the audience]

> [First idea — one concise sentence]
>
> [Second idea — one concise sentence]
>
> [Third idea — one concise sentence]

# [Compare two ideas]

## [First perspective]

[Explain the idea in 40 words or fewer. Keep sentences concrete and easy to read.]

## [Second perspective]

[Explain the difference or consequence. Use the same level of detail as the first column.]

# [Make the place visible]

**Insert a documentary photograph**

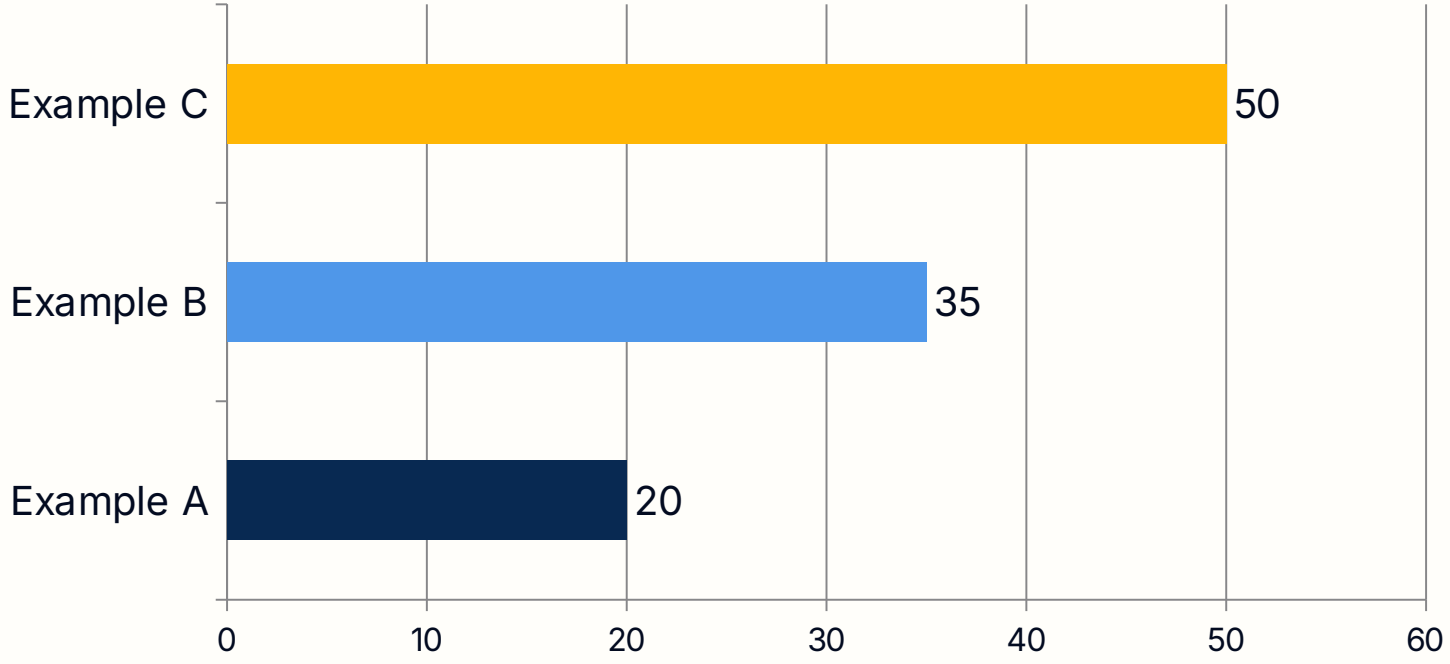

[Photo credit / source / permission]

## [What should we notice?]

[Connect the image to the public purpose. Use real Lugano, civic spaces, workshops or people making and learning.]

# [Say what the data shows]

[Unit, population and time period]

## [The takeaway]

[Explain the implication and the limits of the evidence.]

ILLUSTRATIVE DATA ONLY · Replace values and add a source before presenting.

# [Make a decision easier]

[Explain what the comparison includes]

| [Option] | [Public benefit] | [Consideration] |
|---|---|---|
| [Option A] | [Benefit] | [Constraint] |
| [Option B] | [Benefit] | [Constraint] |
| [Option C] | [Benefit] | [Constraint] |

[Source / definitions / caveat]

# [A short quotation, accurately attributed.]

[Speaker / role]

[Source · date]

# [What happens next?]

# Make it yours. Keep it Plan B.

Delete this guidance slide before presenting.

## Use the layouts

Install Inter, then choose Home → New Slide. Replace bracketed prompts. Duplicate the chart or table example to retain its styling.

## Keep it clear

One idea per slide. Use navy and warm white. Choose gold or a small gradient as the exceptional signal. Aim for 20pt or larger body text.
